

Beyond Boundaries 360 2021

Beyond Boundaries 360 is a development opportunity aimed at individuals and small organisations based in the South West who are under-represented in the cinema sector; particularly people of colour, disabled people, LGBTQIA+ people and those from low socio-economic backgrounds.

Using a collaborative network of experts and developing skills, the focus of this activity is in supporting those who are interested in putting on film screenings or engaging audiences in discussion and dialogue through cinema experiences. We are particularly interested in helping to highlight different and diverse cinematic stories and engaging new audiences with cultural films (outside of mainstream blockbusters).

Beyond Boundaries 360 takes between October 2021 - March 2021 offering the space to connect, learn and share with like-minded people and to shape a programme of support that fits with your needs.

The majority of workshops and networking sessions will be held online, but we hope to optionally hold in-person sessions as the sessions progress. However, there will always be opportunities to join remotely.

Our main Beyond Boundaries 360 workshops will be compulsory to attend and will take place monthly.

Alongside these formal workshops, there will be monthly sharing sessions with the group to develop programmes of work together or individually with support and input from the members of the group.

To register your interest in joining Beyond Boundaries 360 this year, please complete the form below.

Please note: This opportunity is for people based in the South West region: Cornwall, Devon, Dorset, Somerset, Wiltshire, Gloucestershire, West of England, Hampshire, Isle of Wight and Isles of Scilly - or people wishing to work with venues in the South West region.

Tell us a little about yourself and why you would like to participate in Beyond Boundaries 360

Use this space to tell us about your background and your interest in film programming, also if you have put on any screening events in the past.

Please tell us about the kind of films you are interested in screening, or the kind of film events you want to put on

Is there a particular audience demographic or community you want to target? Do you know where you want to screen films? Please use this space to share your vision and your ambitions for audience development. (You may not have an idea at this stage, but we ask you to think a little about this in advance of the first meet-up to get the most out of the sharing sessions - though don't be put off if you're not sure!).

What particular areas of support are you interested in?

Do let us know if there are particular skills or areas of focus you would like us to cover in the meet-ups so we can shape Beyond Boundaries 360 around your needs. Some examples might include: what is film curation? Event producing; social media and marketing skills; technical skills; fundraising, finance and budgets...

If you were to work on someone else's idea, what particular skills or gift would you bring to the table?

This could simply be a willingness to share someone's vision, moral support or specific skills or experience such as technical expertise, project management, marketing, etc.

Do you have any access requirements we should be aware of?

Please let us know if you require a BSL interpreter or any additional support to access sessions on Zoom.

Please indicate if what time of day you will be able to attend workshop sessions?

Workshop sessions will be decided based on collective availability, and we would expect everyone to attend each session. We hope to record sessions for anyone who really cannot attend, but we would encourage everyone to participate 'live' in order to participate fully.

Communications

Upon registering you will be added automatically to our Beyond Boundaries mailing list . From time to time Film Hub South West would like to use the contact details you have supplied to contact you about the following:

- Activities of relevance, including funding, training and networking opportunities;
- Other news items related to film screenings and cinema exhibition
- Opportunities to take part in research to help the Film Hub better understand performance against its stated objectives or to learn more about the support needs of film exhibitors.

Do you agree that we can use your contact details for this purpose?

Please be aware that you have the right to withdraw your consent at any time by emailing filmhub@watershed.co.uk to request removal from our mailing list.

Equal Opportunities

We want to understand the types of individuals who are applying for the Beyond Boundaries 360 and how that can shape the programme this year and in the future. This is optional and anonymous, but we would be grateful if you could complete our form here: <https://forms.gle/g9reyVjVcT9u8QqR6>

Please email this form back to neil.r@watershed.co.uk with the subject line: 'Beyond Boundaries 360 2021 Application'

Thank you
